Update in HOSPITAL MEDICINE 2015
September 16 – 18, 2015  Boston, MA

For PHYSICIANS, NPs, PAs
Updates, new guidelines and best practices to optimize patient care

- UTI
- Electrolytes
- ACLS
- Allergy
- Syncope
- Critical care
- Delirium
- GI Bleed
- Heart failure
- Diabetes
- Hematology
- Addiction
- HIV/STDs
- Hemodialysis
- Acid-Base
- C. difficile
- Antibiotics
- Rheumatology
- Quality and safety
- Pre-op evaluation
- Pneumonia
- Bacteremia
- Acute kidney injury
- Pain and palliative care
- Arrhythmias
- Oncologic emergencies
- Venous thromboembolism
- Neurologic emergencies
- Pancreatobiliary disease
- Liver disease
- Acute coronary syndromes
- Adrenal and thyroid disorders
- COPD/Asthma
- Skin and soft tissue infections
- Atrial fibrillation
- Inflammatory bowel disease

Under the direction of
Christopher L. Roy, MD
Glen M. Kim, MD, MPH

Register at HospitalMedicine.HMSCME.com

Earn up to 27.00 AMA PRA Category 1 Credits™ • 27.00 Prescribed credits from the AAFP
Education to Ensure You Are Up To Date with What’s State-of-the-Art

ALLERGY
• Practical approaches to suspected penicillin allergy
• New treatment for ACE inhibitor-associated angioedema

CARDIOVASCULAR
• Recent guideline updates for the management of non-ST elevation MI
• Culprit versus multivessel PCI in ST elevation MI
• Heparin versus bivalirudin for primary PCI
• New treatment options for heart failure
• Strategies for overcoming “diuretic resistance”
• Should we be using age-adjusted d-dimer levels in the workup of PE?
• Guideline recommendations for risk stratifying PE
• How to improve CPR in your hospital

DELIRIUM, PAIN, AND ADDICTION
• Neuroleptic dosing guidelines
• Common pitfalls in opiate titration for acute pain
• Debunking common myths in addiction management
• New pharmacologic options for delirium prevention and management

ENDOCRINE
• Addressing the debate: Is tight glycemic control better? What are the optimal glycemic targets for inpatients?
• Rapid-fire cases and recommendations for insulin management
• Guidance on the interpretation of thyroid and adrenal studies in the hospitalized patient

GASTROINTESTINAL
• Updates in the management of SBP and hepatic encephalopathy
• Resuscitation strategies in GI bleed, including new transfusion thresholds
• New recommendations for IV proton pump inhibitors in GI bleed
• Timing of endoscopy and GI bleed
• Resumption of antiplatelet therapy following GI bleed
• A stepwise approach to risk stratifying and working up biliary stones

HEMATOLOGY-ONCOLOGY
• Pattern recognition and red flags in hematology
• Oncologic emergencies

INFECTION DISEASES
• Red flags and when to call ID in the management of HIV
• Bacteriotherapy for C. difficile
• Vancomycin: Recommendations for monitoring
• Common management dilemmas for UTI
• Recommendations for new formulation of the pneumococcal vaccination

PRE-OP
• Making sense of the new preoperative guidelines
• New evidence on aspirin discontinuation before noncardiovascular surgery

PULMONARY
• The latest on steroids for COPD exacerbations
• What’s new in the 2015 GOLD guidelines for COPD?
• New recommendations for risk stratification and management in COPD

QUALITY & PATIENT SAFETY
• A rapid A-to-Z overview of key concepts and strategies

RENAL
• Do contrast CT scans increase the risk of contrast nephropathy?
• Improving management/co-management of patients on HD

RHEUMATOLOGY
• Diagnostic pearls: exam, arthrocentesis, and laboratories
• Recognizing rheumatologic emergencies

STROKE
• New data on blood pressure reduction and mechanical thrombectomy in acute stroke
• Review of guideline recommendations for thrombolysis and acute stroke management
• Ambulatory cardiac monitoring following cryptogenic stroke
Accreditation

The Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Harvard Medical School designates this live activity for a maximum of 27.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This Live activity, Update in Hospital Medicine 2015, with a beginning date of 09/16/2015, has been reviewed and is acceptable for up to 27.00 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Royal College of Physicians and Surgeons of Canada recognizes conferences and workshops held outside of Canada that are developed by a university, academy, hospital, specialty society or college as accredited group learning activities.

AMA PRA Category 1 Credits™ claimed by physicians attending live events certified and organized in the United States for AMA PRA Category 1 Credits™ can be claimed through the agreement on mutual recognition of credits between UEMS and AMA, considered as being equal to the European Continuous Medical Education Credits (ECMEC©) granted by the UEMS. One AMA PRA Category 1 Credit™ is equivalent to one (1) hour of European EACCME Credit (ECMEC©), therefore up to 27.00 ECMEC© Credits are available. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

ACGME Competencies

This course is designed to meet the following Accreditation Council of Graduate Medical Education competencies: patient care, medical knowledge, and practice-based learning and improvement.
Who Should Attend

- Hospitalists
- Internists
- Family Physicians
- Primary Care and General Practitioners caring for hospitalized patients
- Nurse Practitioners
- Physician Assistants

... and other clinicians who seek a comprehensive review of hospital medicine

Learning Objectives

By completion of this activity, participants will be able to apply the following:

- Best practices for common problems in hospital medicine
- Seminal studies and updates in the evidence
- Recent guideline recommendations
- Expert opinions where the data are lacking

The expanded 2015 curriculum covers a breadth of hospital medicine challenges, and offers preparation for the ABIM MOC in Hospital Medicine.
Thursday, September 17

6:30am-7:25am Breakfast
7:25am-7:30am Welcome and housekeeping
7:30am-8:15am Update in Atrial Fibrillation
   Amy L. Miller, MD, PhD
8:15am-9:00am Current and Emerging Concepts in Inflammatory Bowel Disease
   Joshua Korzenik, MD
9:00am-9:45am Cirrhosis for the Hospitalist
   Anna E. Rutherford, MD, MPH
9:45am-10:00am Break
10:00am-10:40am Optimizing Outcomes with ACLS
   Charles M. Pozner, MD
10:40am-11:20am The Hemodialysis Patient: What a Hospitalist Needs to Know
   Finnian McCausland, MBBCh, MMSc
12:05pm-1:05pm Lunch Break
1:05pm-1:50pm How to Advance Quality and Safety in Your Hospital
   Christian Dankers, MD, MBA
1:50pm-2:35pm Practical Approaches to Panreatobiliary Disease Management
   Linda Lee, MD
2:35pm-3:20pm Addressing and Managing Adrenal Disorders
   Anand Vaidya, MD, MMSc
3:20pm-3:35pm Break
3:35pm-4:15pm Making Sense of the New 2014 Pre-op Guidelines
   Adam C. Schaffer, MD
4:15pm-5:00pm Critical Care: An Evidence-Based Update
   Rebecca M. Baron, MD
5:00pm-6:10pm Update in Hospital Medicine: ABIM MOC Module
   Christopher L. Roy, MD

Friday, September 18

6:30am-7:25am Breakfast
7:25am-7:30am Welcome and housekeeping
7:30am-8:25am Revisiting Electrolyte and Acid/Base Disorders
   David Krakow, MD
8:25am-9:05am Hospitalist Beware—Oncologic Emergencies
   Thomas Abrams, MD
9:05am-9:50am Recent Advances in Heart Failure
   Anju Nohria, MD
9:50am-10:05am Break
10:05am-10:50am Update in Acute Kidney Injury
   Emily S. Robinson, MD, MPH
10:50am-11:30am Allergy 101: Drug Allergies and Other Common Consults for Hospitalists
   Paige G. Wickner, MD, MPH
11:30am-12:15pm Current Strategies and Common Questions in the Management of Urinary Tract Infections
   Sigal Yawetz, MD
12:15pm-1:15pm Lunch Break
1:15pm-2:05pm Evidence-Based Approaches to Inpatient Hyperglycemia
   Jeffrey L. Schnipper, MD, MPH
2:05pm-2:45pm The Latest in C. difficile
   John J. Ross, MD
2:45pm-3:30pm Improving the Evaluation and Management of Syncope
   Kapil Kumar, MD
3:30pm-3:45pm Break
3:45pm-4:30pm Pearls for Diagnosis and Management of Pneumonia in the Hospitalized Patient
   Rebeca M. Plank, MD, MPH
4:30pm-5:10pm Common Consult Questions for Skin and Soft Tissue Infections
   Rebeca M. Plank, MD, MPH
5:10pm-5:55pm Recent Advances in the Management of Neurologic Emergencies
   Galen V. Henderson, MD

Program changes/substitutions may be made without notice.
Disclosure Policy

Harvard Medical School (HMS) adheres to all ACCME Essential Areas, Standards, and Policies. It is HMS’s policy that those who have influenced the content of a CME activity (e.g. planners, faculty, authors, reviewers and others) disclose all relevant financial relationships with commercial entities so that HMS may identify and resolve any conflicts of interest prior to the activity. These disclosures will be provided in the activity materials along with disclosure of any commercial support received for the activity. Additionally, faculty members have been instructed to disclose any limitations of data and unlabeled or investigational uses of products during their presentations.
Accommodations
A limited number of rooms have been reserved at the Fairmont Copley Plaza Hotel. Please make your reservation at your earliest convenience—however, no later than August 25, 2015—at 1-800-441-1414 and specify that you are enrolled in this course to receive the reduced room rate.

Please do not make non-refundable travel arrangements until you've received an email from the HMS-DCE office confirming your registration.

Questions? Call 617-384-8600 Monday-Friday 9am – 5pm (EST) or send email to hms-cme@hms.harvard.edu

All attendees of Update in Hospital Medicine 2015 will receive an electronic version of the course materials. You can purchase a printed copy of these materials at the time of registration for $50, or on site at the course for $90.

Registration, Payment, Confirmation and Refund Policy
Registrations for Harvard Medical School CME programs are made via our secure online registration system. To register for this course, please visit the course website.

At the end of the registration process you will have the choice of paying by check or credit card (VISA, MasterCard or American Express). If you are paying by check, the online registration system will provide you with instructions and a printable form for remitting your course fees by check. Postal, telephone, fax, and cash-payment registrations are not accepted.

Upon receipt of your paid registration, an email confirmation from the HMS DCE office will be sent to you. Be sure to include an email address that you check frequently. Your email address is used for critical information, including registration confirmation, evaluation, and certificate. Refunds, less an administrative fee of $75, will be issued for all cancellations received two weeks prior to the start of the course. Refund requests must be received by postal mail, email, or fax. No refund will be issued should cancellation occur less than two weeks prior. “No shows” are subject to the full course fee and no refunds will be issued once the conference has started.

Venue
The Fairmont Copley Plaza Hotel
138 St. James Avenue
Boston, Massachusetts
